

# County of Orange

## Orange County Science and Engineering Week

April 20-26, 2015

*By the authority of the Orange County Board of Supervisors, the following resolution is hereby issued:*

*WHEREAS, the fields of Science, Technology, Engineering, Art, and Mathematics, commonly known as STEAM, are of growing importance and will prove crucial to the success of the next generation; and*

*WHEREAS, inspiring and encouraging young minds to develop a growing interest in the sciences provides opportunities for the youth of Orange County to excel in a new age driven by innovation and problem solving; and*

*WHEREAS, allowing future generations to flourish in their love of science and engineering is in the long-term interest of the people of the County both economically and socially, as it will attract new demographics and business to Orange County; and*

*WHEREAS, enhancing the communities of the County through the spread of scientific knowledge and developing a more educated workforce will ensure a prosperous future for Orange County's youth in the twenty-first century; and*

*WHEREAS, during the 60th Annual Orange County Science and Engineering Fair and the 36th Annual OC Fair Imaginology, students will showcase their talents through scientific events and engineering competitions, furthering the goal of spreading the spirit of innovation among the youth of Orange County;*

*NOW, THEREFORE, BE IT RESOLVED THAT THE ORANGE COUNTY BOARD OF SUPERVISORS does hereby declare April 20-26, 2015, as "Orange County Science and Engineering Week" in the County of Orange and encourages the students of Orange County to further their understanding of the world around them in relation to the sciences, to better prepare them for the future, and to provide further opportunities and experience for them to flourish.*
